Gene Kenner went over the club grievance procedure. This was prompted by some previous reports of violation of flight safety and field procedures. Attached is the section from our charter covering grievances.

Tony gave a quick update on the Airport day. The date has firmed up and it Aug 18th. There will be no flying this year, only static displays due to construction at the airport.

There has been no activity on the YMCA camp. (NOTE we later found that Chris has had a family emergency and is out of town. The camp will now be only one session and will be the week leading into Airport Day. A work session is being scheduled, more to follow)

Guy Gottschalk requested authority to purchase a telescoping “Pool Pole” for retrieving planes from the pond. It was moved and seconded that he should buy the pole.

The meeting was adjourned at 10:15

GRIEVANCE PROCEDURE (FLIGHT AND GROUND SAFETY RULES)

1. Purpose

The grievance procedure provides a mechanism to enforce existing safety rules by providing a progressive disciplinary system when needed. Although most complaints can be resolved informally, if a complaint is serious or cannot be resolved informally, the matter should be referred to the Safety Committee for its consideration by means of a Grievance Form to be filled out and turned into the Safety Committee Chairperson. At least one witness is required to sign the Grievance Form.

2. Safety Committee

The Safety Committee shall use its judgment in carrying out action on
The following:

- (a) A grievance form (see page 7) will be filled out and turned into the Safety Committee Chairperson. At least one witness required.
- (b) FIRST VIOLATION
 - a. Viewpoints of both complaints and accused will be considered.
 - b. Complainants name will be disclosed.
 - c. A verbal reprimand will be given to the accused by the Safety Committee, and this will be recorded in the Committee files.
- (c) SECOND VIOLATION
 - a. Complainants name will be disclosed.
 - b. The accused has the right to a written rebuttal, to be reviewed by the Committee.
 - c. If the Committee so decides, the flying privileges of the accused will be suspended for thirty (30) days. Written notice of this shall be issued and a copy published in the Club newsletter.
- (d) THIRD VIOLATION
 - a. Committee will notify the accused in writing and the Club members via the Club newsletter that the Executive Committee will vote on the expulsion of the accused at the next Executive Committee meeting.
 - b. Said expulsion will last for one-year minimum. (Longer if deemed necessary by the Executive Committee).
- (e) The three actions will not be enforced unless they are accumulated within a two-year period of time.
- (f) Any member receiving a Grievance, who directs any retaliation action against the person filing said Grievance, will be subject to immediate expulsion from the Club. This is to include threats, intimidation, physical harm, intentional equipment damage, or any other action deemed to be retaliatory by the Executive Committee.
