Coming Events

The next Club Meeting will be Oct 10th, 2009 at the trailer. Meeting starts at 9:30. Note that our meeting schedule is now every other month. This months meeting will see us opening nominations for next years club officers. We would like to see some new, or returning names in the mix this year. We would normally present the nominations at the November meeting and then vote at the December meeting. Absente ballots would be mailed after the November meeting. This year, we are not having the meeting in Nov, so we will just mail the absente ballots the second week of November with the names that have been nominated. Write in candidates are still accepted on the absente ballots. If you have a name to be included on the ballot, let Tony, Bill or Don know so it will be on the absente ballots. Lets try to have a ballot this year with some names different than the last three years.

Check your email regarding Sel Kaplan's planes.

We still have a need for some work to be done at the field. Mainly the far fence. Those of you have been to the field in the last two weeks know that the cows have been in and have been fertilizing things. We found that they were squeezing through the two strand barbed wire. We need to string two more strands making the fence a 4 wire fence all the way. We need to get this finished in the next few weeks while we still have dry ground to work on.

Last, the grape harvest season is going into full swing. Same rules as last season. The first at the field each day should drive around the field to see if workers are present. If so, notify the flyers that arrive after you. We also need a replacement sign for one that blew away last fall.

Meeting Minutes

General meeting Aug 8, 2009

SLO FLYERS, INC.

Minutes of 08/08/2009 Executive Committee Meeting

The meeting was called to order by the President, Tony Gallo, at 9:32 AM in the trailer at the EFR flying field.

The following Executive Committee members were present: Andy Brennan, Tony Gallo, Bill Lander, and Fred Jacober. Other members present were Wade Akle, Russ Banner, Bill Drake, Gene Kenner and Herman Obrikat.

Tony made a motion to have our meetings every two months instead of every month. Bill Lander indicated that Club BYLAWS indicate that the Nomination Committee shall be present the nominated officers at the October and November meetings. The election of Officers shall occur at the December meeting. A short discussion followed and it was decided to figure out how to notify the members of the nominated without a November meeting. Tony Drake seconded the motion and it was passed.

Tony Gallo reported that he received an E-mail regarding a meeting for the 2009 Airport Day. Tony said he could not attend a meeting scheduled for today, so he will report on it later.

Tony indicated that the weeds need to be killed.

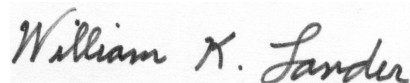

Tony indicated that Selwyn Kaplan donated his model airplane equipment to the Club because his eye sight has deteriorated to the point that he can not fly the models anymore. Tony said that an inventory will be made and will let members bid on them first. We will decide how to sell what is left over later.

Bill Lander gave the Treasurer's Reports for June and July. The checking account for end of June was \$1,098.72 and for the end of July it was \$1,017.29. The total savings were \$10,626.70 at the end of June and \$10,644.22 at the end of July.

Just before the meeting was adjourned Don Rogers arrived with his camera to help with the inventory of the equipment donated by Selwyn Kaplan.

Tony Gallo adjourned the meeting at 9:48 AM.

Respectfully submitted

William K. Lander
Acting Secretary, SLO FLYERS, INC.
