Coming Events

Club Meeting will be Jan 10, 2009 at the trailer. Meeting starts at 9:30

Notices

1. Smoking at the field is to only take place in your personal vehicle. Any trash from smoking, butts, matches, packages, etc, must be kept within **your vehicle**. This is not a new regulation, but a notice that some of you seem to have forgotten this regulation. Violators of this rule are subject to discipline by the club.
2. Rockets of any type are not allowed at our field or on Choro Ranch. If you witness the use of rockets, you should inform those involved to cease immediately and that they are not to use the ranch for a rocket range.

Meeting Minutes

General meeting Dec 13, 2008

The meeting was called to order at 9:30am

The following officers were present
Tony Gallo – President
Bill Lander - Treasurer

Don Rogers –Secretary
Fred Jocober – Safety Officer

The following members were present

Gene Kenner, Wade Akle, Paul Genshaw, Bob Van't Riet. Bob Van De Walt

Tony opened the meeting at 9:30

-Tony received a note from Andrew Welborne thanking us for the help with Aero 101 day in Nov.

- Two issues were discussed.

- The first was that we have found casings from model rockets on the field. Bob Van Der Walt found some guys firing a rocket from inside the fenced area. This means that one of our club members was most likely involved. A notice is to be sent to all members that rockets are not to be fired at our field or on the Choro Ranch.

- The second is smoking. It is obvious from the number of cigarette butts on the ground that several of our members are not heading the NO SMOKING signs. This is a reminder. Smoking at the field, is only allowed inside your vehicle and all trash from smoking, IE butts, cigarette packs, etc are to remain in your vehicle. Notice to the members is to be sent out on these two topics

- We discussed ways to recruit Cal Poly and Cuesta students to join the club.

- The signs at the field were discussed again. Fred is going to make the “workers in the field” sign, The need to get the gate sign back up was also discussed.

- Absentee ballots were counted and we received 14 absentee votes. Those present at the meeting voted for the slate of candidates. There were no write in candidates and those on the ballot were unanimously voted in for the 2009 term. There was no change in the club officers

- We also discussed the SloFlyers.Com web site. The issues are that we lost the data base ability so our members list is no longer on line. I proposed that I make a manual list of members and include Name, Phone number, and Email Address for each member unless they informed me that they didn't want to be included on the onsite list. Also discussed was moving the hosting service and possibly changing from SloFlyers.Com to SloFlyers.Org and/or SloFlyers.Net.

Bill Lander Presented the 2009 proposed budget. See below

Bill Lander proposed we accept the budget

Tony Gallo seconded the proposal.

The budget was voted on and passed with a unanimous vote.

Based on the new budget, and expected membership, Dues for 2009 are to remain at \$65.00 per year.

Bill also presented the treasures' report.
